Dated: 06/05/2019

To  
The District Presidents/Executive Presidents

Dear Brothers  
Sairam,

Sub: Preparation of Annual reports containing District wise information - called for -Reg  
-00-

As per the instructions of our All India President, Sri. Nimish Pandya, this circular is issued for immediate action from all the District Presidents, Executive Presidents and all the Office Bearers of the District.

We are all aware that every year, Annual Reports of each state are prepared and presented at the Divine Lotus Feet. This year also, it is proposed to present the Annual Report of each state during Birthday Celebrations of our Beloved Bhagawan in November 2019.

This time, it is proposed by the All India President to prepare the Annual Report of each state **containing the reports on each district of the state**. The purpose of this effort is to document the historical, physical, and accurate data along with all the important highlights of the district prior to Bhagawan's 95<sup>th</sup> Birthday Celebrations.

Hence, all the District Presidents and Executive Presidents are requested to prepare a report of their respective district, giving complete details of their district including:

- the time it was started and the history of the district
- the important properties owned by the district in the name of Bhagawan Sri Sathya Sai Baba, i.e., the Sai Centres, Hospitals, Schools, etc.
- major activities done in the district in terms of Seva
- the statistical aspects of the district, i.e., number of members, Bhajan Centres, etc.

Each district has to prepare the report on these aspects. More detailed instructions will follow in a few days soon received from AIP Sir. Thus you are hereby given advance notice and information so that you have enough time to start collecting and collating the necessary data to prepare your **DISTRICT REPORT**.

Since this exercise is done to arrive at the true picture of the districts, which is the true **Virat Swarupa of Swamy** to be placed before the society, all the District/Executive Presidents are requested to put in their best efforts in preparing accurate reports.
