Dear brothers and sisters
Loving Sairam

With the infinite blessings and grace of our beloved Bhagawan we have been going ahead with the massive program of Sri Sathya Sai Gram Seva Maha Yagnam, the main objective of which is to spread Bhagawan's Message of Love and Seva through the following FIVE aspects in each village/slum.

1. Bhajan (Namasmaran)
2. Balavikas
3. Nagarsankeerthan
4. Narayanseva
5. Satsangam

To give more support, strength and guidance in execution of the above activities in an uniform and consistent manner at Samithi level, a team of experienced Sevalal have been nominated called "State Nominee" by Bhagawan's grace during the meeting held at ESS, (Sivam) Hyd on 10th March 2019. The details of the team nominated for a group of districts allotted to them are enclosed in a separate annexure:

1. State nominees under this program will help the Districts and Samithis and they will play a very key role in implementing this program till Nov 2020.
2. They will be supporting the Samithi Conveners and Samithi office bearers with new ideas and suggestions to take up this program within the framework and charter of Sri Sathya Sai Seva Organisation and they will strictly follow the Organisation Rules and Regulations.
