Circular No: 23/2023/SP/TS

Date: 23rd June' 2023

To
Dear Brothers & Sisters
Loving Sairam

Sub: Sri Sathya Sai Prematharu – A National Initiative – Reg

The national initiative of Sri Sathya Sai Prematharu is of supreme importance. This is a very grand and holy initiative to adorn the mother Earth with 10 million trees before the birth centenary celebrations of our beloved Bhagawan Sri Sathya Sai Baba varu in the year 2025.

All the districts are therefore requested to take advantage of the valuable opportunity and plant as many saplings as humanly possible by engaging everyone in the district. This is also the time to go beyond the boundaries of caste, creed and religion and project unity in diversity as envisioned by our beloved Bhagawan. Students, housewives, workers, elderly, every single person can be motivated to join this movement.

As you are all aware as per the recent circular, Shri Kalur Ravindra has been nominated as the State In-charge for SSS Prematharu and Technology group activities.

His contact is 99499 96671 and mail ID is Ravindra.kalur@gmail.com.

Based on the inputs received from the Principal Conservator of Forests, Govt of Telangana and the GHMC, Harithaharam Offices, it is advised that the respective District Forest Offices in your districts be immediately approached in person for the free saplings.

Enclosed a PPT to follow Dos & Don'ts and as well Geo tagging of the saplings. In the event of any clarifications on the above matter, you are requested to get in touch with Shri Ravindra, St. In-charge, SSS Prematharu.

With regards

Ever in Sai Seva
